

Annual Report 2018 -19

VISION

Every child empowered,
educated to excel

MISSION

To ensure transformational change in school going children from low income background by providing them with knowledge, values, skills and support through joyous, positive experiences from interaction with well intentioned, educated adults to help them excel.

THE PROGRAM

The Spark-A-Change program is primarily designed to supplement school education in English, Math and Science delivered by enthusiastic, skilled volunteers using a curriculum tailored to lead our enthusiastic students down the path to a well-rounded education.

Founders Note

Dear SAC family,

It's that time of the year again, time to celebrate 4 years of SAC, time to place before you all we did over the last year, the awesome, the good and the could be better.

The past year saw us getting out into the world, speaking about our work, forging new partnerships, strengthening the old ones. Our single focus.. get as many opportunities for our children to transform their minds from 'mirrors' to 'windows'.

2018-19 saw us open **2 more Learning Spaces**, partner with BMC to facilitate in-school support program at Adarsh Nagar BMC MPS and **reach out to more than 1000 kids**, Our team grew with passionately committed members to structure operations and curriculum. Positive feedback from schools, partners and parents on behaviour, academics and overall development of SAC kids was undoubtedly our crowning glory

We're very often asked the story behind SAC, our 'Eureka' moment. An honest confession..there is none. SAC was born out of a genuine passion to provide access to equal educational opportunities to every child, based on talent and merit alone, irrespective of socio-economic status. We believe scale always plays second to quality. If the endeavor is to strive for excellence, success is bound to follow.

We're blessed with volunteers, well wishers, supporters and donors who believe in our vision and intent unconditionally.

As we step into year 5, we promise our best is yet to come !!

Avani and Nirmala,
Founder Trustees,
Team Spark-A-Change

SAC Sustainable Development Goals

QUALITY EDUCATION For Social Impact

SAC focuses on
**QUALITY
EDUCATION**
to achieve our
other Goals.

GOAL 2 Zero Hunger	Education helps youth to move towards more sustainable farming methods, and understanding nutrition. If done right, agriculture and forests can become sources of decent incomes, the engines of rural development, and our vanguard against climate change. The agricultural sector accounts for about 40% of the total employment in India.
GOAL 3 Good Health & Well - Being	Education encourages the children to lead healthy lives, understand the importance of hygiene and sanitation. This could also help in comprehending the knowledge to prevent disease. Higher levels of education among girl-children/ mothers improves children's nutrition, and reduces child deaths, maternal mortality and HIV.
GOAL 5 Gender Equality	The education of girl-children impacts generations. We can prevent child marriage, reduce by the number of women dying in childbirth and halve the number of children dying under the age of five, just by educating the girls.
GOAL 8 Decent Work & Economic Growth	An increase in the average educational attainment of a country by 1 year increases annual per capita GDP growth 2-2.5%. Less than 5% of India's workforce has formal skills training, and 122 million new workers will be added by 2030. Quality education can help provide better career options.
GOAL 10 Reduced Inequalities	Education facilitates the structural transformation of the economy and enables educated workers to transition into the non-agricultural sector. Literacy rate in India went up by 9.2% in the past decade and income inequality for India fell from 36.8% in 2010 to 33.6% in 2015.
GOAL 17 Partnership for the Goals	Collaboration with like minded NGOs aiding intensive-skill training, emphasis on quality education and working towards a rounded learning for the underprivileged to ensure their inclusion, financial empowerment and social security.

Curriculum Details

SAC has developed its own content and adapted available resources to create a well structured holistic, progressive syllabus.

The Curriculum is focused mainly on three subjects:

* English Language * Mathematics * Science

The English Language curriculum aims to :

- * strengthen core comprehension abilities
- * build writing and conversational skills
- * teach functional and basic grammar
- * language appreciation

SAC has also piloted a program to use Art to develop a better understanding and a pictorial connect to vocabulary.

The Mathematics curriculum aims to :

- * build a thorough understanding of key operations - *addition, subtraction, multiplication division* with specific focus on understanding mathematical statements that also help build language comprehension
- * strengthen concepts in functional arithmetic, algebra and geometry

The Science curriculum focuses on secondary grades with emphasis on experiential learning of STEM concepts through our Innovation Hub Program.

Intensive academic support for SSC Board Exams is provided to Grades 9 and 10 through our in-house tutorial program. Deserving students of Grades 11 and 12 are enrolled with tutorial classes to prepare for HSC board exams.

Co-curricular activities are encouraged for all-round development. We offer a plethora of activities like cricket, football, art, craft, dance, music workshops, speech and drama classes, to chisel them in the best way possible.

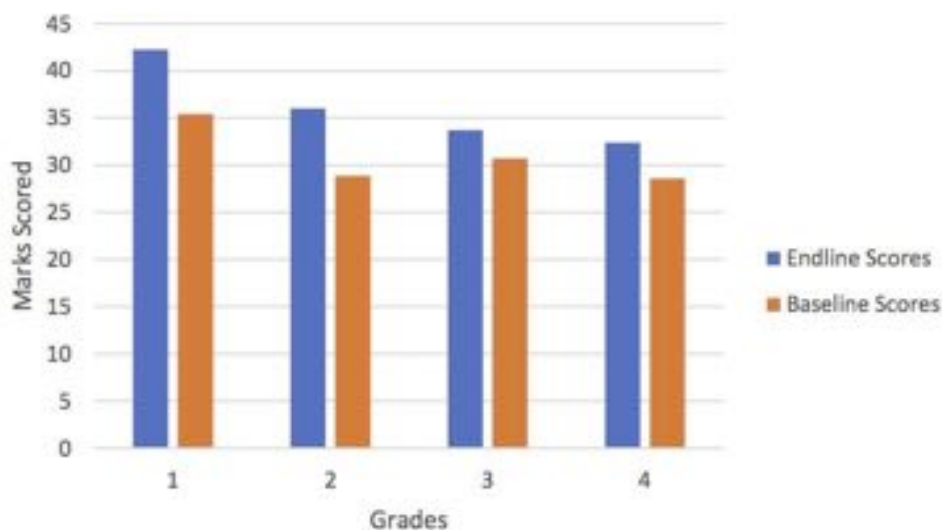

Computer Literacy program is mandatory for our grade 10 children to ensure college readiness.

SAC Curriculum IMPACT: English

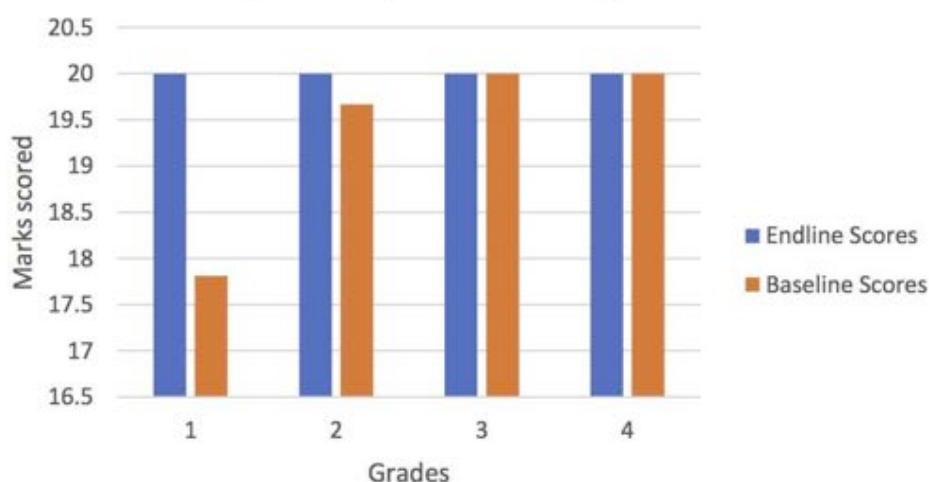

A structured approach towards teaching alphabets, phonetics, basic grammar and comprehension skills has shown a marked improvement in the children undergoing the program.

The children are more confident to use the English language as a medium of communication, sentence structuring and conversational English.

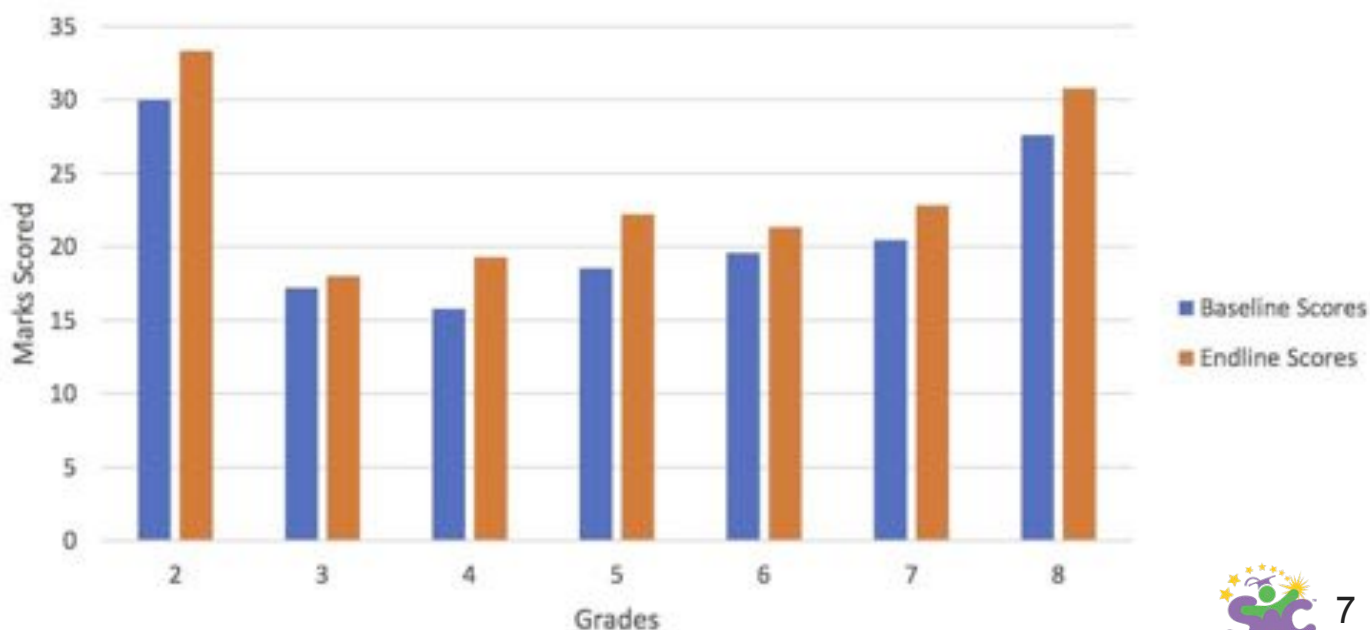

English CVC

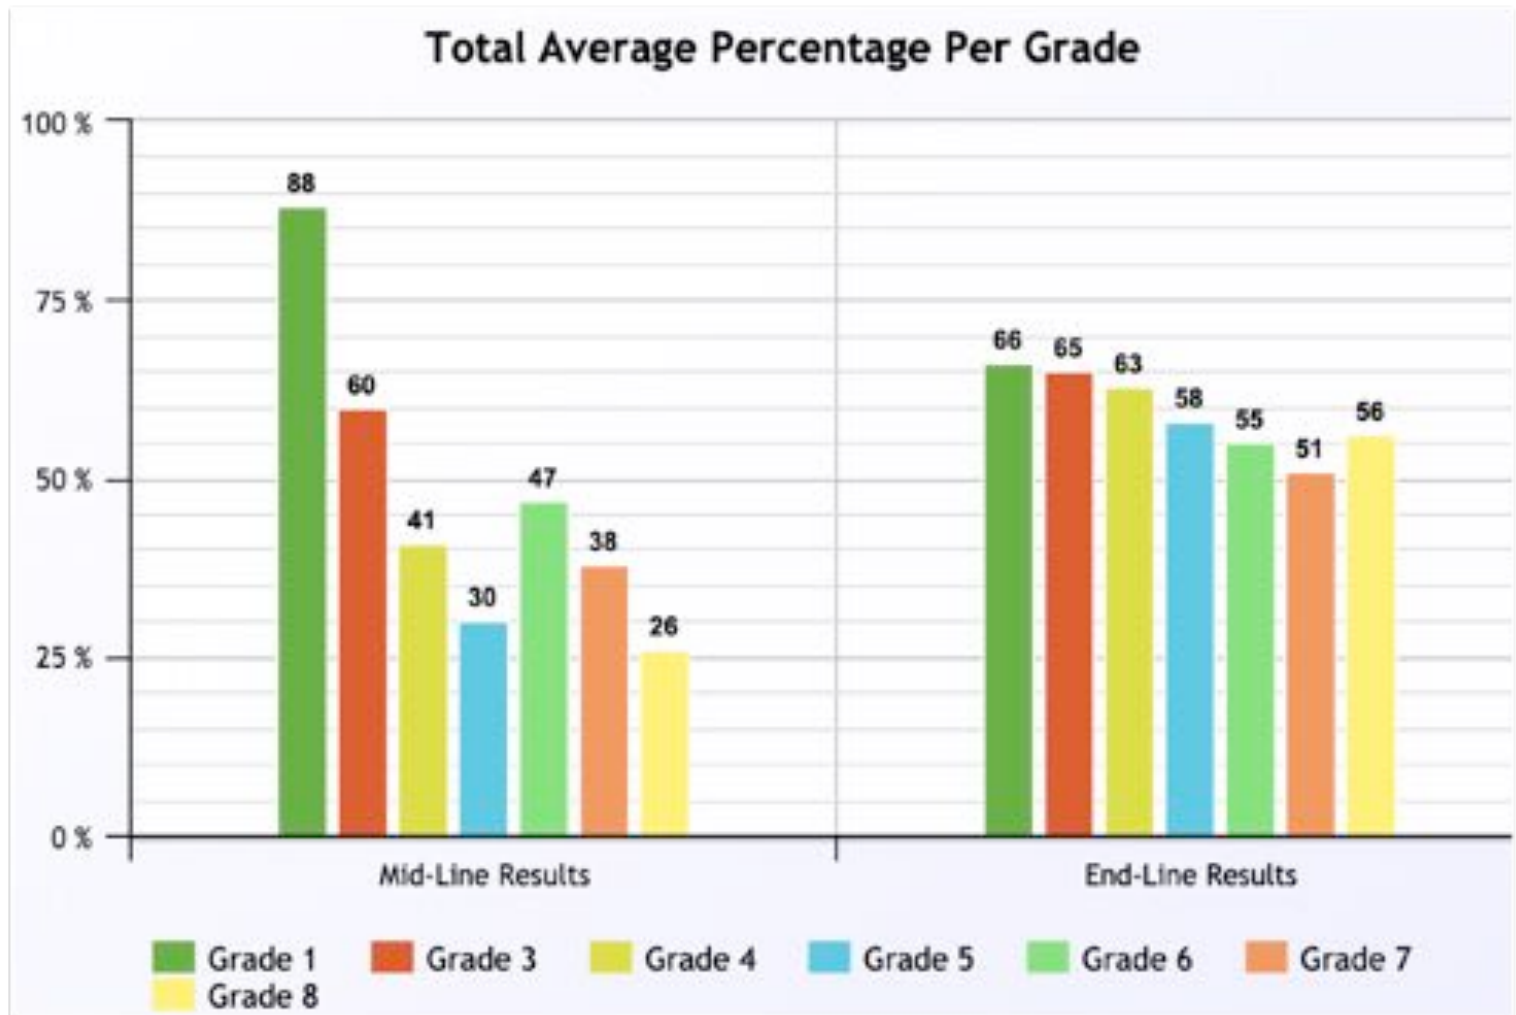

English - Alphabet Recognition

English Grammar and Comprehension

SAC Curriculum IMPACT: Math

*Note: Math mid-line and end-line assessments show retention level for topics taught in that particular quarter.

Working on the key skill-sets pertaining to the respective grades yielded a better concentration, understanding and developed the love for the subject in contrast to the fear the children had for Math.

English teachers provided sessions where synonyms related to the basic mathematical-operations were discussed. These sessions helped build math-vocabulary required to comprehend and solve word-problems.

Picture Tale: Curricular

The focus of our curricular program is to work towards improving academics by developing thinking skills, building self-confidence and intensive coaching.

Experiential learning.

Computer Literacy for higher grades.

SAC Workbooks for all grades

Interactive Learning

Learning through field-visits.

Picture Tale: Co-Curricular

The focus of the co-curricular part of the program is to work towards development of a well-rounded personality through value education, activities and experiences.

Market Day teaches budgeting, conversation and basic math skills in a fun way.

Gender equality through different modes of expressions.

Conversational English through drama.

“Reduce and Reuse” taught through art and craft.

4th SAC Annual Sports Day at Singapore International School.

Structured Education Programs

Intensive Coaching

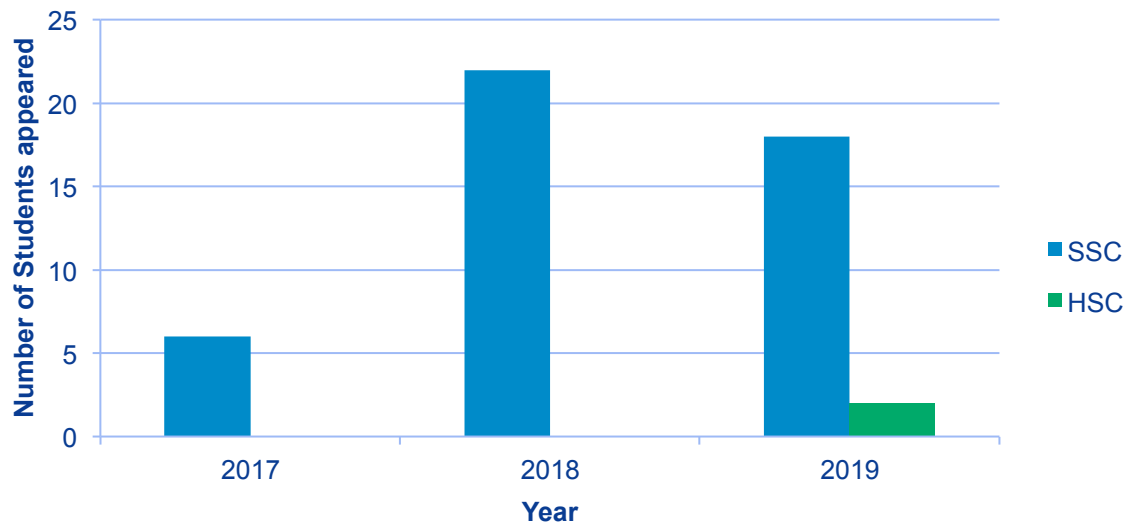

SAC conducts after-school classes in Math, English and Science for all kids. Although children do well in lower grades, as they approach higher grades, we observed that children are constrained to attend tuitions for subjects not covered by us. To address this we have introduced in-house intensive coaching in all subjects for deserving students of grades 9 to 12 across all centres.

SAC coaching sessions are conducted by experienced tutors / coaching institutes keen on helping with our cause at extremely subsidized rates. The progress of children is periodically monitored to ensure optimal performance.

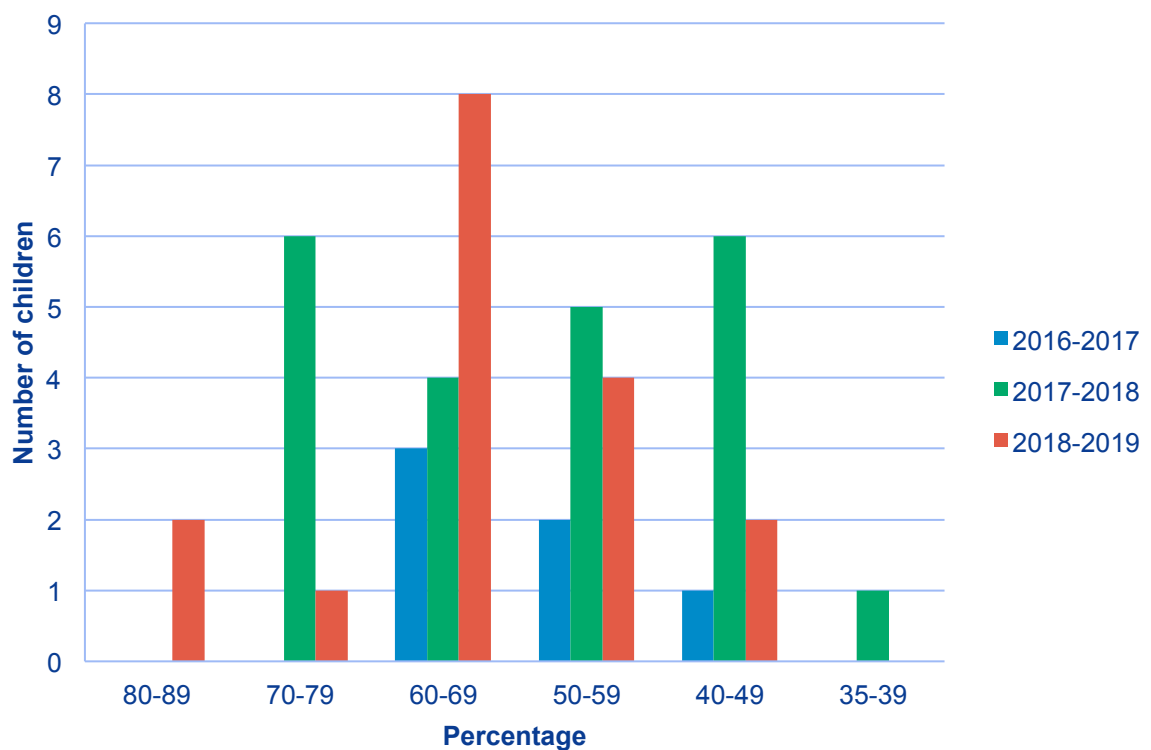

We are grateful to Samarth Whaa headed by Hanumanta Natekar and Kalpesh Rajput, Shah Classes and Ms. Seema Kadwani for taking on the onus.

Intensive Coaching - IMPACT

Students Appeared-Passing %

Scores of Students appeared for SSC

In-School BMC Support

With the intention of strengthening the core of the subjects learnt at school, building better foundations and making education more meaningful, SAC has started aiding Adarsh Nagar BMC MPS (English Medium) with its In-School Support Program. The program aims at teaching the SSC curriculum to the children, bringing on-board intervention from teachers appointed by SAC after great scrutiny. Thus ensuring the best methodology of the delivery of education to over 200 kids .

A well-stocked library, interactive teaching aids, sports education and yoga complete the holistic learning we aim to deliver.

Our little Sparks

GYAAN EXPRESS QUIZ WINNERS

SAC won SILVER at GYAN EXPRESS, an inter-NGO quiz competition conducted by SANOFI INDIA as part of their CSR initiative. 15 SAC kids were trained by Neeti Nair, Sanofi employee and 2 finalists selected to participate. The poise, confidence and sportsman spirit of our kids was appreciated by many !!

BHAVESH SINGH BUILDS A TOY-CAR

Our 6th grade kiddo was inspired by the hands-on Innovation Hub and built his own little toy-car with the spares he found at a junk-shop.

FATHER AGNELS QUIZ RUNNERS UP

SAC kids stood SECOND in the quiz competition organised by Father Agnel Ashram and Balbhuvan to commemorate their 100th Anniversary

WINNERS AT INTER-NGO SPORTS DAY

At the Inter-NGO Sports Day organized by The Social Responsibility Forum (SRF) of SBM, NMIMS Mumbai our SAC team made us proud with 1 Gold, 1 Silver and 3 bronze medals

Our little Sparks

MAKING OUR MARK AT THE JUHU HAMARA FESTIVAL

80 children from SAC participated in the Talent Show, Juhu Hamara Run, Drawing Competition and Cricket Tournament at the "Juhu Hamara Festival" organised by Juhu Citizens Welfare Group (JCWG), making a mark of their own.

WINNERS AT ANUGOONJ DANCE

Our spectacular Lavni-trio dazzled the stage and bagged the FIRST prize at Anugoonj – the NGO Skit and Dance Competition – the annual flagship event of Social Responsibility Forum - NMIMS

SCHOLARSHIP FOR MARTIAL ARTS

Bikash Barua - A celebrity MMA and fitness coach who has trained celebrities like Varun Dhawan, conducted a pro bono tribal combat workshop for the children of Spark-A-Change foundation and selected 5 children for a scholarship to professionally train with him!

Our little Sparks

NANHI KHIDKIYAN – ACTING WORKSHOP

10 children from SAC were enrolled for 'Nanhi Khidkiyan' - a month long acting workshop conducted by Mukesh Chhabra Casting Company culminating into a touching play - 'Par Hamein Khelna Hai'. Watching our children's talent unfold on stage, left us in awe.

LITTLE-BIG DREAMS

The event Little-Big Dreams by Kommuneity gave a platform to SAC students to perform before well-known stand-up artists Mohammed Sardiwala and Rakesh Tiwari giving us a glimpse into facets our children possess.

SCHOLARSHIP FOR STRUCTURED ART

15 SAC children landed themselves a scholarship of being mentored for structured art by Shefali Shah and her team from Shefali Art Classes during the Donate-A-Skill week.

SCHOLARSHIP FOR BAKING CLASS

For his love of cooking and interest in baking, Sultan Shaikh won an opportunity from School for European Pastry to participate in the Eggless Cooking Class that was attended by some top chefs from Pune.

Collaborations

Universe Simplified: Innovation Hub

This year the weekly hands-on science program conducted in partnership with Universe Simplified extended to one more hub at Juhu taking the total children enrolled to 67. 15 kids from the 1st batch progressed to Level 2 - Basic Electronics.

As a part of the experiential learning in science, 150 children also attended Anveshana Mumbai 2019.

Apni Shala – SEL Education

Equipping children with knowledge is no longer enough to give them the strongest possible start in life. To help children face everyday challenges and make the most of their opportunities, life skills such as Teamwork skills, Self-Awareness, Leadership abilities, Self-confidence, Respect for different opinions and Empathy are becoming an essential part of their education.

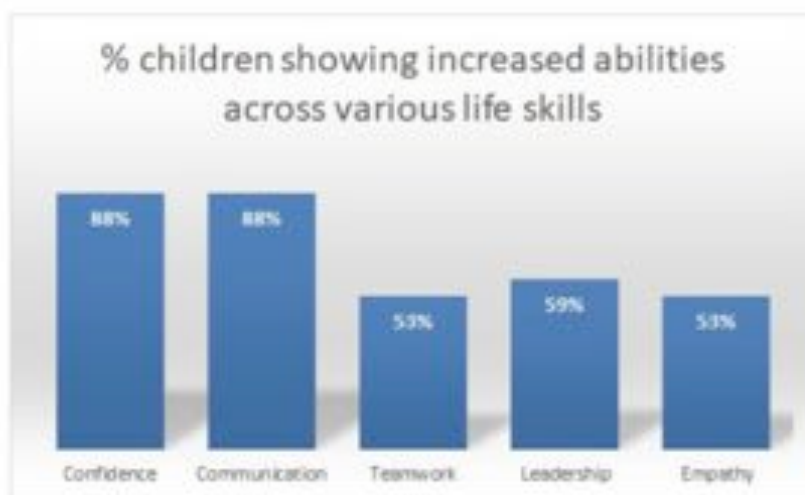

At SAC, we endeavour to deliver an education that ensures children emerge as conscientious and reflective citizens capable of bringing change in their own lives as well as in society. Our collaboration with Apni Shala for Social Emotional Learning helps achieve this purpose. Programmes designed by Apni Shala help children become confident, nurture healthy relationships and solve problems around them effectively.

Apni Shala – IMPACT

IMPACT ON CHILDREN	IMPACT ON PARENTS
<ul style="list-style-type: none"> Improved attentiveness. Increase in the confidence to express their opinions without any hesitation. Short-term goal setting by the students eg., on how will they complete their syllabus before exams. Taking the initiative to help their peers to make goals. Coming up with innovative ideas to perform during the event. Responsibility taking 	<p>Views parents shared during the meeting:</p> <ul style="list-style-type: none"> “This is the first time, I am attending any parents meeting where we are given equal chance to speak and participate. I would want to attend more meetings like this one”, said by a mother. “This meeting gives me an opportunity to communicate in front of an audience which boosts my self confidence”

Apni Shala Social Emotional Learning Skill Programme
END YEAR SUMMARY REPORT 2018-19 [Spark-A-Change Foundation_Mixed Grade]

Graphical Representation of the Impact Assessment Data

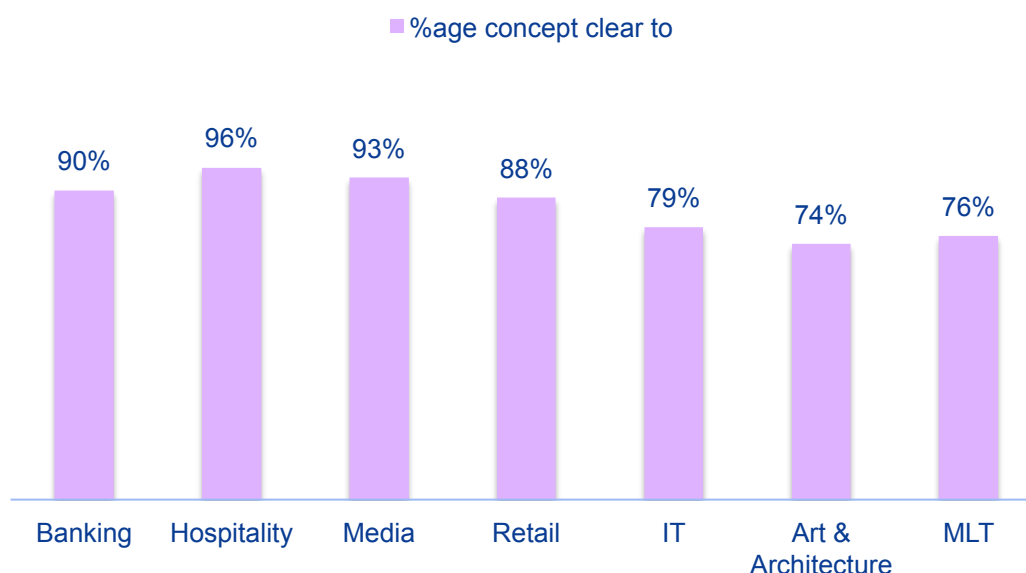

Antarang Foundation : World of Exposure

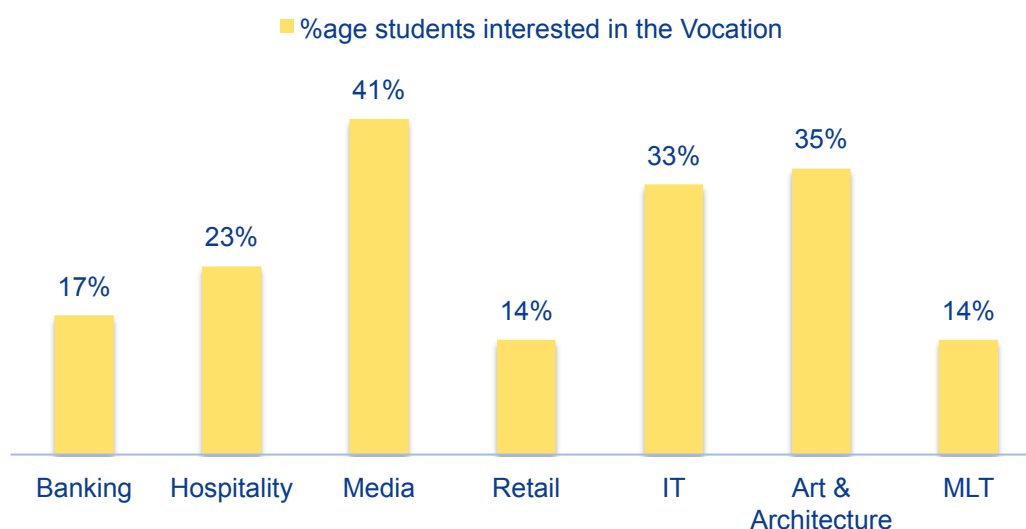

SAC envisions a world where every young person is passionately, productively and positively engaged in a career of their choice. We found a like-minded partner in Antarang Foundation (AF) with their programs focused on bridging the Employability gap that exists amongst disadvantaged youth.

SAC has introduced the World of Exposure (WoE) program designed by AF for students of Grades 8 & 9 students who are involved in a wide range of career guidance activities, to enable them make informed and appropriate decisions about the next stage of their education and training. Students are given an insight into 7 key vocational areas through the year with guest speakers, site visits, role play projects and presentations.

Antarang program: Vocational Clarity

Vocation Interest in Students

This year long, once-a-week intervention gets the children to think about careers and their futures in an informed way. Awareness of options with the capacity to make an informed choice about their future career goals is a great motivator for adolescents to continue their education.

The children enrolled with Antarang have a clearer view of the careers they want to pursue and the educational qualifications needed to achieve the same.

CAN Speech and Drama Classes

CAN classes, affiliated to the **Trinity College of London (TCL)**, run by Neelu Virk and Nilima Hemrajani have put together a programme for SAC that aims at developing listening and speaking skills.

This year CAN enrolled 7 children from SAC and trained them for Level 1 Trinity Speech and Drama Examination. All 7 children cleared the exams scoring above 90% marks.

Sneha Godgenpalli - 95%
Roshan Jha – 95%
Pragya Sao - 94%
Kartiki Khapare - 94%
Pratik Ghadi - 94%
Venkatesh Godgenpalli - 94%
Sanya Ansari - 92%

School for European Pastry- Culinary Skills

School For European Pastry, led by Chef Anil Rohira and Chef Vikas Bagul, is India's FIRST Level 3 IVQ Diploma in Professional Patisserie and Confectionery (7120-33) Certified Pastry school from City & Guilds London.

Sanchi and Anaya Rohira, 15 and 16 year old girls involved with the School for European Pastry, have started teaching our grades 9 to 11 students pastry making and introducing them to the true joy of baking cookies, cakes and brownies every Saturday with the intent that it might open up career opportunities for the gifted.

A fantastic opportunity for the children at SAC to get exposure to baking & explore their talent in the kitchen.

Football Club of Mumbaikars

Founded in 2010, FCM is a premier football, fitness & motivation club. Equipped with a dedicated team of coaches & support staff, FCM has evolved & excelled as a football club and today is the only club from Mumbai to have qualified to play for the prestigious I-League Under-15 Final round.

Football not only makes a player physically strong but also inculcates values of team work, fair play & being focused towards ones' goals as well as creates right & positive attitude of a person towards life. The values we want our children of grade 6,7 and 8 to start imbibing. This year, 24 children enrolled in the program train at Gallant Sports Arena who have graciously allowed us the use of the turf during the non-peak hours.

Academy For Sports, Fitness And Martial Arts (ASFA)

As part of our In-School Support Program, we have collaborated with ASFA Academy for Sports Fitness and Martial Arts to conduct sports activities at Adarsh Nagar MPS School supported by us. Ganesh Varma, founder ASFA, has been a tremendous support, providing trained instructors for over 200 children.

The program involves functional fitness activities to build agility and motor skills for pre-primary kids and training in Athletics and Martial Arts for Grade 1 students. Our endeavor is to build overall fitness, identify and train talent for competitive sporting events.

Yoga is a form of education that aids the holistic enhancement of a child. A daily yoga practise leads to increased stamina, balanced emotions and elevated intellectual and creative skills.

SAC introduced Yoga to 200+ children as part of its In-School Support Program at Adarsh Nagar MPS School by collaborating with YOGAZOO, headed by Ravinder Kaur and Jasmeet Kaur, with their unique, fun based programmes. Flexibility, yoga poses are introduced to the little ones with stories and curriculum related themes.

Nutrition Program

SAC #KitchenPlan

In a healthy body lives a healthy mind is SAC's mantra. To enable children give all their attention to academics, every SAC child is given a daily nutritional snack. Snacks such as fruits, poha, idli, vegetable pulao, puri-bhaji, dal-khichdi and milk bottles are organised for 450 children across SAC Learning Centers.

As part of environment protection initiatives, SAC replaced plastic bag snacks with snack boxes for children last year. We are very happy to say that children imbibed the life-lesson and diligently carry their snacks boxes daily to take food we get prepared for them. SAC now also has a dedicated caterer who makes nutritious, delicious and hygienic meals for the SAC children.

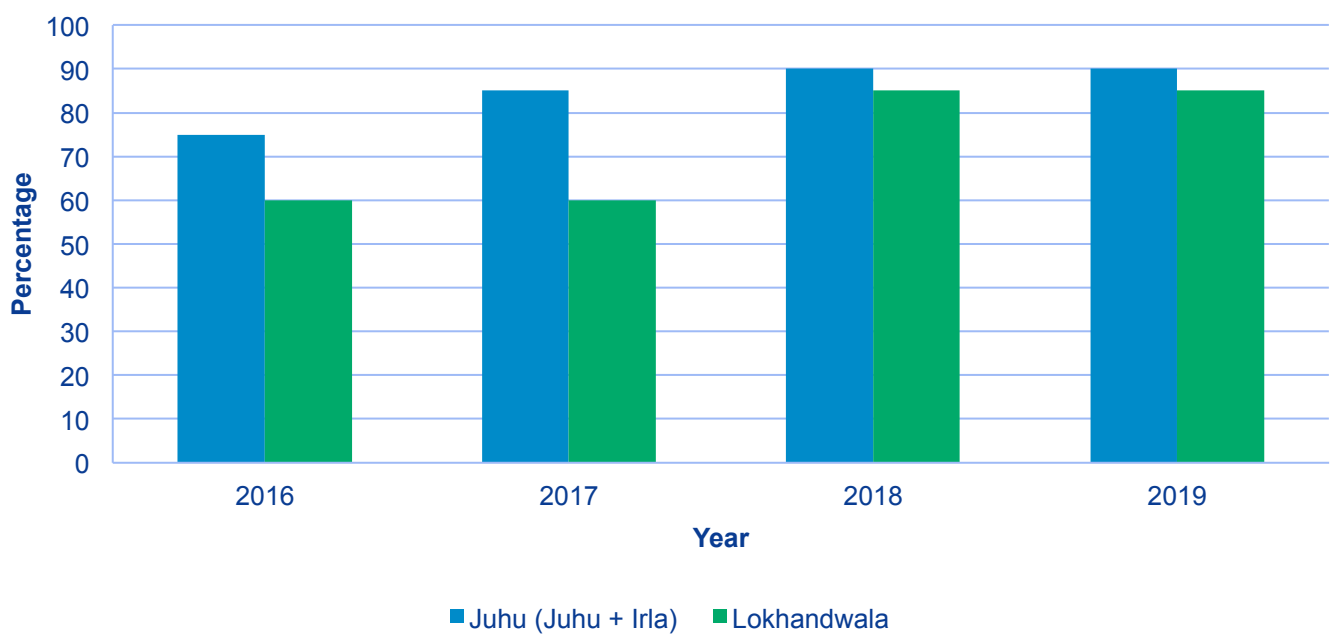

SAC is also supported in this endeavor by sponsors like Team Spreading Smiles, Friday Kitchen, Good Deeds and Nalini Manakatala who bring in a weekly snack through the year.

SAC #KitchenPlan - IMPACT

Healthy Nutrition Helps Increase

Student Retention Rate 2016-2019

Donate-A-Skill

DaanUtsav – The Joy of Giving Week

This DaanUtsav, we ran the campaign “Donate-A-Skill” that saw an overwhelming response from donors to hold skill-based workshops. We had math, art, tribal combat, yoga, dance, creative-writing and theatre workshops were notable among the many held. Some workshops also handed out annual scholarships to students who showed a keen interest towards the subject.

We also ensured our children learned to GIVE before they RECEIVED. We began the festivities of this giving week with our kids spreading joy amongst the wonderful kids at SOPAN and the residents of Cardinal Gracias Destitutes Home for Women.

Social Engagements

Schools, Colleges & NGOs

We were fortunate to have reputed educational organisations like Singapore International School, Jamnabai Narsee International School, Jamnabai Narsee School, Podar International School, C.P.Goenka International School, Mount Litera, NMIMS Navi Mumbai, SVKM's Pravin Gandhi College, NM College of Commerce and Economics and Arya Vidya Mandir School Juhu conduct varied interactive programs between their students and SAC kids. Such interactions have forged a relationship of learning and holistic growth for both participants.

Corporate Employee Engagement

This year SAC saw fun-filled interactions with employees of companies like Prudential Global Services, BIG FM, Sanofi, Eureka Forbes, Interactive Brokers and Fly Higher India. Meaningful time spent with the employees through games, quizzes, role plays related to social awareness, gave the children of SAC a different and enjoyable learning experience.

Milestones

SAC “GRADUATES”

As we graduate from the Atma Accelerator programme, we look back with gratitude over an enriching 3 years. Atma helped chisel our vision, give clarity of purpose and process. A learning curve from the THEN of procrastinating over decisions to a NOW of making decisions with confidence and awareness. Atma was the guiding force in building robust structures and strong foundations for SAC, to prepare for future success.

Our heartfelt gratitude to the entire team at Atma for the unconditional support and guidance throughout. Atma will always hold a very special place in the SAC journey.

SAC “MOMENTS of PRIDE”

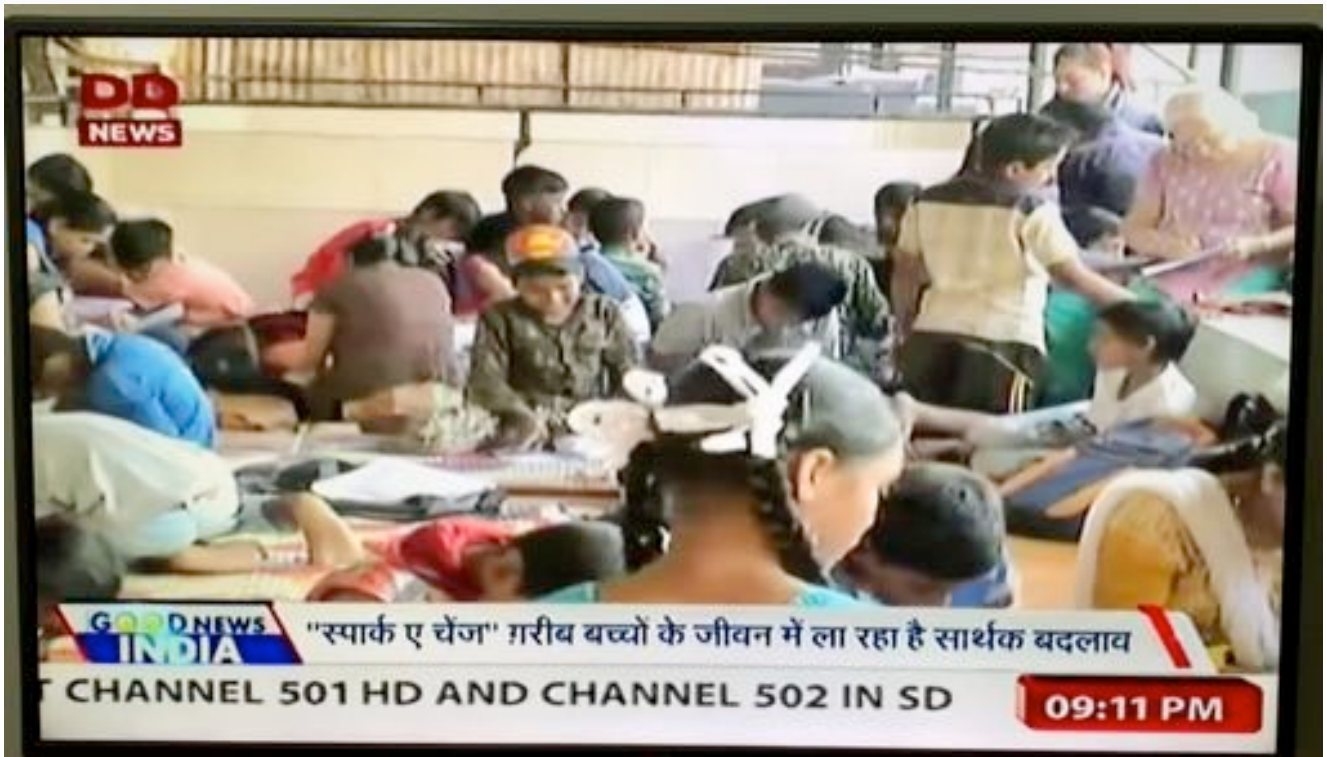

Seven children were coached by the team of CAN Speech and Drama Classes. They appeared for the Trinity Speech and Drama Level-1 exams this year and all 7 children scored above 92%.

18 children appeared this academic year for their SSC board exams. Intensive coaching by Seema Kadwani, Hanumanta Natekar and Kalpesh Rajput, coupled with efforts put in by volunteers and periodic Parent-Teacher Meetings helped ensure 100% percent result this year too. 2 children scored over 80%, the highest being 83%.

Children secured admissions in colleges like Bhavan's College, Mittals Institute of Technology, Patuck Technical High School, Sathaye College, Valia College, KHMW and Malini Kishore Sanghavi College, raising the bar for subsequent batches.

SAC's "BIG MOMENT"

Spark-A-Change Foundation is featured on National Channel DD News in the their program 'Good News India'. It was a moment of pride for us once again reiterating our belief that we surely are going about our goals the right way.

Subject: Registration under Foreign Contribution (Regulation) Act, 2010.

Sir/Madam

With reference to your application dated 11-10-2018 requesting registration under the Foreign Contribution (Regulation) Act, 2010, I am directed to say that your Association has been registered under Section 11 (1) of the Act as follows:-

Registration Number : 083781627

Nature : Educational

Spark-A-Change Foundation has received the FCRA certification from Government of India and is now eligible to receive donations from foreign countries !

The FCRA is a certificate given to only trusted NGOs who fulfill a series of requirements to ensure financial transparency.

Spotlight

Indradhanush 2019

Indradhanush 2019- our 3rd ANNUAL DAY was an extravaganza of talent and enthusiasm! Our children amazed us not only at performing arts but also with their innovations at the Science Exhibition. They are our biggest motivators in our endeavour to provide equal educational opportunities for all.

The cherry on the cake was an enthralling performance by our volunteers. Many thanks to Mansi Iyer of Swaranik Dance Academy and Madhumita Chakraborty for training them.

Indradhanush 2019 also gave us the opportunity to felicitate and express our sincerest gratitude to our relentless supporters!

Our Volunteers

“SAC volunteers are the backbone of our program. “

Our committed team of 60 volunteers, from students to retired professionals, dedicatedly devote 2 to 10 hours a week to educate children coming to the centers. Volunteers bring their imagination and creative delivery mechanisms to get the children to better their English Language, Mathematics and Science Skills.

Our volunteers are our pillars of unconditional support willing to wade with us through every challenge

We are proud of the fact that more than 50% volunteers have been with us since inception.

Heartspeak -

**Neelam
Lund**

Hi I am Neelam Lund volunteering at SAC Lokhandwala center. I've been a part of SAC for last 4 years and feel blessed to have contributed in a small way. Teaching these kids is challenging at the same time fun. They need lots of love, patience and understanding and show a lot of respect, love towards me.

My reward is when a child wants to continue to be in my batch. Some of the children show a lot of interest in studies and SAC encourages and helps them. Looking forward to continue my work with SAC for many more years to come .God bless the children and SAC which is doing a wonderful job.

Our Volunteers...we ARE because they ARE!!

Our Team

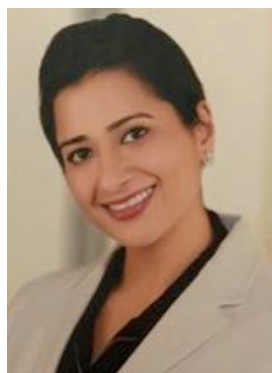

**Nirmala
Venkatesan**
FOUNDER TRUSTEE

A Chartered Accountant to a homemaker & a mother who found her calling in the SAC cause. Nirmala firmly believes that meaningful literacy with equal opportunities for every child is the only way to achieve national progress. She takes charge of finance, programs compliance, fundraising, systems and process development for SAC.

**Avani
Dalal**
CO-FOUNDER
TRUSTEE

An Electronic Engineer, a graphic designer, an animator and a passionate social worker wedded to the cause of SAC. Avani brings her creative expertise and intuitive understanding of children to enhance various facets of teaching methodologies. Avani is responsible for Curriculum, Communications, PR and Fundraising

**Gauri
Gupta**
HEAD ADARSH
NAGAR IN-SCHOOL
SUPPORT PROGRAM

Gauri is a Philosophy graduate from Delhi University, entrepreneur, certified Image Consultant, currently pursuing a course in Digital Marketing. Gauri has been associated with SAC since inception. Positive, dedicated, extremely committed, she takes responsibility for the in-school program at the Adarsh Nagar BMC school along with assisting with PR and Corporate Connects.

Farisa Zaki
HEAD (CURRICULUM)
ADARSH NAGAR IN-
SCHOOL SUPPORT
PROGRAM

Farisa Zaki is an educationist with 18 years of experience in Child psychology. She has worked extensively in education research and evolving new teaching methodologies. She is also the Co- Founder of Fun'N'Learn, a Pan-India Worksheet Subscription based program for Preprimary and Primary children.

Patient, sincere and a complete team player, Farisa provides curriculum and counseling support for the Adarsh Nagar in-school support program.

**Mahima
Karnani**
CENTER HEAD, JUHU

Mahima started her journey with SAC 2 years back. She took up charge of managing the centre at Juhu and has never looked back. Her warm affectionate nature makes her loved by one and all. She is mindful for every child's well being looking over their needs with utmost dedication.

**Brinda
Gupta**
CENTER HEAD,
LOKHANDWALA

Brinda started as a volunteer and stepped up to manage all activities at the center. Her positive, affable and enterprising nature has forged a beautiful bond with SAC kids, their parents and co-volunteers. She is a keen learner willing to go the extra mile for all kids under her care.

Our Team

**Melody
Zosangliani**

Melody has been with SAC for almost a year now. She coordinates the needs of the Juhu and Irla centers. She is full of warmth, concern and has every child's best interest at the forefront. Her resourcefulness helps running the centers efficiently.

**Madhu
Kabra**
CENTER HEAD, IRLA
BALWADI

An avid music lover, Madhu started came to SAC as a volunteer and has taken charge of the Balwadi as a Centre head. Over her three years at SAC, Madhu has built strong bonds with the children and volunteers alike. Her principle "where there's a will there's a way" makes her strive hard to accomplish the tasks put forth to her.

**Saurabh
Gaikwad**
WEB MAINTAINANCE

A computer engineering student, Saurabh has always believed that everyone has the right to education and one day education shall be free. He is in synch with SAC's vision of making a positive impact in the lives of children and providing them with quality education. Saurabh manages SAC's website, weaving in changes to make it easily accessible to the site-visitor.

**Ashmeen
Arora**
SOCIAL MEDIA

Passionate, full of life, driven, holding an acting diploma from Actor Prepares, Ashmeen has been in the advertising industry for over 6 years. Her skill sets include copywriting, promotional ideation & planning, social media strategy, marketing and client servicing. Currently she's working as a Content Lead with Partners Advertising. Ashmeen brings to the table all her expertise gained to handle the social platforms of SAC.

**Payal Choksi
Thanawala**

A Wealth Advisor and Investment Consultant by profession. Payal helps with support on investments, accounting process and internal audit.
